Saint of the Week

The Eucharist is not an invention of the Church: it is a part of God's plan of salvation from the very beginning: it is prefigured in the Old Testament, seen today in the food offerings of Melchizedek, priest king of Salem associated with Abraham, who brought bread and wine as the offerings. It is also revealed by the prophetic action of Jesus, in feeding the multitude, before he feeds the Church with the gift that is transmitted through the centuries. The Eucharist, the Body and Blood of Christ, is our communication with the Father, in the Spirit: it is the real presence in the Church's 'here and now' of the eternal God; it is Covenant, Memorial and Promise, Meal and Sacrifice, the heartbeat of the Family of Believers
