The Word this Week

As we follow through the Gospel of St Mark, we come to an important turning point this week: after the preaching, the miracles and the journey so far, Simon Peter publicly recognises Jesus as the Messiah. But there is an important point, which is brought out by the choice of first reading today: this Messiah is a king who is destined to be rejected and killed. Jesus knows this very well, and rebukes Peter when he tries to lead him on a different path. From this point on, Saint Mark's Gospel leads to the cross: Jesus himself accepts his own cross and reminds all his followers that the cross is a part of following him. If we are considering the question "Who is Jesus?", these scripture passages give us a deep insight into the mission of salvation that he accepts for us.

Saint of the Week **St John Chrysostom (349 - 407)**

Born in Antioch, after a thorough education he took up the ascetic life. He was ordained to the priesthood and became a fruitful & effective preacher. Elected Patriarch of Constantinople in 397, he was energetic in reforming the ways of the clergy and the laity alike. He incurred the displeasure of the emperor and was twice forced into exile. When the second exile, to Armenia, had lasted 3 years, it was decided that he should be sent still further away, but he died on the journey, worn out by his hardships. His sermons and writings did much to explain the Catholic faith and to encourage the living of the Christian life: his eloquence earned him the surname "Chrysostom" (Greek for "golden mouth").
