Psalter Week 1

THE WORD THIS WEEK

This world, as we know, is a fragile and fallible place, in which we encounter hunger, disease, sickness and death. Jesus proclaims, by his actions of healing, that there is another world, the Kingdom of God, which will be free from all such anxieties and afflictions. The story of Paradise and the Garden of Eden painted a picture of a world which was perfect, and free from all problems. Jesus came into the world precisely to offer us a return to Eden, if we follow him. Each of his miracles is also, in some sense, a parable or teaching, pointing out to us something of the lost happiness and perfection which he is restoring. This vision of Paradise is not Utopian or delusory, not just a vain hope to comfort us with, but the true manifestation of God's love for us. Jesus could not cure every disease or sickness in the world then: but his miracles of healing are a sign that one day, when the Kingdom comes, sickness and disease will be wiped away for ever.
