THE WORD THIS WEEK

Everyone on this earth belongs to God. All are made in his image. Therefore, it is right that all men and women, 'from the rising to the setting of the sun', should know the God to whom they belong. The only desire of our God is that all should know and love him and find in him the fulfilment that they seek. Even a pagan king like Cyrus is used to further this knowledge of God - just as Jesus uses Caesar's head to make the point again: all belong to God, and the mission of all who acknowledge that belonging is to help others to find it. This is exactly what we see Paul, Silvanus and Timothy doing, as they write to the people of Thessalonica, to whom they carried the Good News of Jesus Christ.

Freedom consists not in doing what we like, but in having the right to do what we ought.

Do not abandon yourselves to despair. We are the Easter people and hallelujah is our song.
