

Season of Creation: What can I do? (Part 1)

1. Learn, be inspired....

The Bishops of England and Wales have produced a number of films and resources to help us think about how we all need to play our part in caring for Creation.

Global healing is a film designed to help a group think through the issues, over a meal together. Maybe not possible in a pandemic but still an inspiring film to watch

<https://www.cbcew.org.uk/home/our-work/environment/global-healing/global-healing-films/main-film/>

Global caring films were made as a follow up to Global healing. These are three short and inspiring films:

- *The Gaze of Jesus*
- *The Cry of the Earth*
- *Hope for the Future*

2. And then act

CAFOD is one of the largest aid networks in the world. Because of its global reach and local presence it is able to provide long-term support, immediate help in crises while also campaigning for a better world. Look at their campaign page to see how you might get involved
